EXAMINER'S AMENDMENT

The following Examiner's amendment has been set forth so as to clarify the record and to avoid confusion from the entry of the Applicant's "after-final" amendment dated Dec. 23, 2005. In said amendment, the Applicant has set forth that claim 8 is still in non-amended original form. Furthermore, the Applicant has stated in the remarks section that claims 1-8 are pending in the application. However, the Examiner points out that claim 8 was cancelled in the amendment dated July 15, 2005. Thus, claim 8 no longer remains in the current application.

To avoid any confusion regarding claim 8 following the said "after-final" amendment, the following Examiner's amendment has been set forth.

Should the changes and/or additions be unacceptable to the Applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

CLAIMS

Cancel claim 8.
